

Dear Senator \_\_\_\_\_ Date \_\_\_\_\_

**WE NEED YOU TO SPONSOR**

**a corresponding Senate Bill to H.R. 2206!**

As a citizen of the United States, I urge you as my Senator to reestablish the United States Civilian Conservation Corps. The CCC is still the most popular US government program in U.S. History. This program was also our government's most lasting environmental effort. The U.S.A. needs to go "Back to the Future" - A.S.A.P.!

We need you to SPONSOR a Senate Bill to correspond with H.R. 2206 - the 21<sup>st</sup> Century CCC Act, sponsored by Marcy Kaptur OH-9. H.R. 2206 would authorize the President to re-establish the Civilian Conservation Corps as a means of providing gainful employment to unemployed and underemployed citizens of the United States through the performance of useful public work, and for other purposes.

Please kindly send or email me a written response!

**Respectfully Yours:**
