

Dear Honorable _____ Date _____

WE NEED YOU TO SPONSOR H.R. 2206

As a citizen of the United States, I urge you as my U.S. Representative to reestablish the United States Civilian Conservation Corps and co-sponsor H.R.2206. The CCC is still the most popular US government program in U.S. History. This program was also our government's most lasting environmental effort. The U.S.A. needs to go Back to the Future, A.S.A.P.!

H.R. 2206 - the 21st Century CCC Act, sponsored by Marcy Kaptur OH-9 would authorize the President to re-establish the Civilian Conservation Corps as a means of providing gainful employment to unemployed and underemployed citizens of the United States through the performance of useful public work, and for other purposes.

Please kindly send or email me a written response!

Respectfully Yours:
